

# Milestone Ministry Part II & *faith families*

Come celebrate your child's  
Milestone in a NEW way!

In the living of life and the journey of faith, it's vital to have learning, encouragement, support, community and celebration. That's what Part II is for - the everyday living of God's Story!

I know you have busy schedules, but as I have watched you, I have delighted in what you offer to your children. I know you are ready for more. Each Milestone will have an additional opportunity for gathering. We start @ 4:30 PM with an active learning experience based on the Milestone and then we eat together and celebrate. Your entire family is welcome. Below are some helpful instructions:

## Milestones for the 2017-2018 school year:
