MILESTONE MINISTRY GETS A "FACE-LIFT"

Milestone Ministries

Mount Calvary families have been involved in the Milestone Ministry for 15 years. They have been recognizing and tending those baptismal promises faithfully. Now we are tending the ministry itself by giving it fresh look, some tweaks AND added fun!

You will see the latest look, experience the tweaks, but the additional fun is optional. Each Milestone currently consists of a learning event for the child and a parent or two during a worship time - this will continue! It will be considered Part 1. The addition is a Part 2. Part 2 is the learning and practicing how we live our Milestone out in the world and in our own lives. Each Milestones Part 2 will take place on a Sunday Evening. It will include a fun learning experience and dinner for the whole family and will be an amazing way to celebrate your child with your church "family". More specifics will be coming soon, but start marking your calendars!

The Milestones for the 2017-2018 school year are:
