

# CONFIRMATION CHECK LIST

To make the Confirmation Ministry the best it can be for our young people, it is important for them to have maximum participation in Large Group, Small Group and the experiences below. Under each grade is listed the expectations for that year. The list gives an overview of the Ministry itself and what you can expect each year. It is our expectation that your Confirmand attend the majority of Confirmation Large and Small Groups. If there is a problem, please contact Andrea Fieldhouse-Griner or Pastor Aaron Werner.

An additional expectation is that your Confirmand attend **at least 4** of the Retreats or Service Days in 3 years.

Each of the "to do's" and experiences is designed to build relationship between the child and parent, the child and their Small Group, and the child and God. Each piece offers a different way of connecting, learning and experiencing God. We do understand the reality of life and schedules, but encourage you to make every effort to participate, as we believe this is a significant and fabulous journey!
