Waiver of Liability and Hold Harmless Agreement

I understand that this course addresses dangerous situations. The concepts and techniques taught in this course have proven successful in many circumstances, but there is no guarantee that they will work in all circumstances. Each dangerous situation is different and only the potential victim can properly assess the situation and the best response. In many cases, even the best response may result in injury. I understand and accept that the instructor will try to ensure safe conditions, but I also understand and accept that no instructor can guarantee that I will not be injured. I understand that accidents can occur. I therefore agree to hold harmless and indemnify my instructor(s), Not Me! LLC, its officers and Directors and their estates from any and all damages related to taking this course.
