

Parent Connection  
2017-2018

*Parent Connection* is our way of involving our parents in everyday tasks and special events. Our Preschool Advisory Board members have asked that all parents help at least 2 hours during the school year to maintain the high quality of our preschool. There are many areas in which we need your help.

Did you know that research shows that children do better in school when their parents spend time in their children's schools? Helping in schools now will prepare you for lending a hand during your child's formal schooling.

**We need help soon with our first Fund Raiser and Open House, also known as "Wiggle and Giggle Night."** This is a special night for the preschoolers to show off their school to their families and friends. This year's event will be Thursday, October 1, 2014. We will have an Open House, dinner, and a craft. Parents bring supplies and/or donate money.

Other jobs, such as making VIKs or cutting birthday crowns, will be posted on the white board outside the office door. Please stop in the office if you would like to help us with these small tasks.

Teachers or Board Members may need specific help as the year progresses. Teachers and Board Members will ask for help by contacting parents as needs arise. We always need help during Family Fun Night (FFN), which is in April.
