Calling all Mount Calvary youth!

February 2017

Are you ready for summer? Do you love working with preschool, elementary or middle school age kids?

Yes? Keep reading!

We have lots of awesome opportunities for you to work alongside some experienced teachers and counselors, be role models for our younger kids and have some fun while growing in your own faith.

You will need to consider your availability for the entire time period for each camp and the mandatory training date before you sign up. We can only consider volunteers who are available for the entire camp plus training. Volunteers must be there every day of the camp they sign up for and be there for the full day. Training is also required to volunteer for these camps. This will ensure that you are equipped to be successful in your role.

Important:

The number of volunteers for each camp will be dependent on the enrollment numbers of each camp. It's possible that you will be put on a wait list to volunteer for the camp you signed up for if the number of youth signed up to volunteer exceeds the needs for that camp. We will contact you to let you know if you are a volunteer or on the wait list once registration for the camp has closed.

How do I sign up?

Look at the different choices on the back of this letter. Check the dates of the camp plus training date with your calendar to determine if you signing up to be a camp volunteer or sub. **Fill out the attached form and return to the church office by May 26.** (Emails and phone calls will not be accepted) You must complete and sign this form. If you have any questions, please don't hesitate to call or email Brenda or Andrea.

We look forward to seeing you this summer!
